Colours and textures may vary.

STONE 04

Bienna Quartz

Velluto Line

Authentic and surprising

Colours, veining and pattern that surprise with how natural they look — for authentic projects full of personality. Available in 15 and 18 mm.

Colours and textures may vary.

SOLID COLOUR 05

Pure Hazelnut

Warm taupe · Sense Line

Sophisticated and refreshing

A warm taupe made for creative combinations, giving furniture a dynamic look and a precise, refined finish.

Colours and textures may vary.

WOODGRAIN 06

Bourbon Walnut

Thera Line

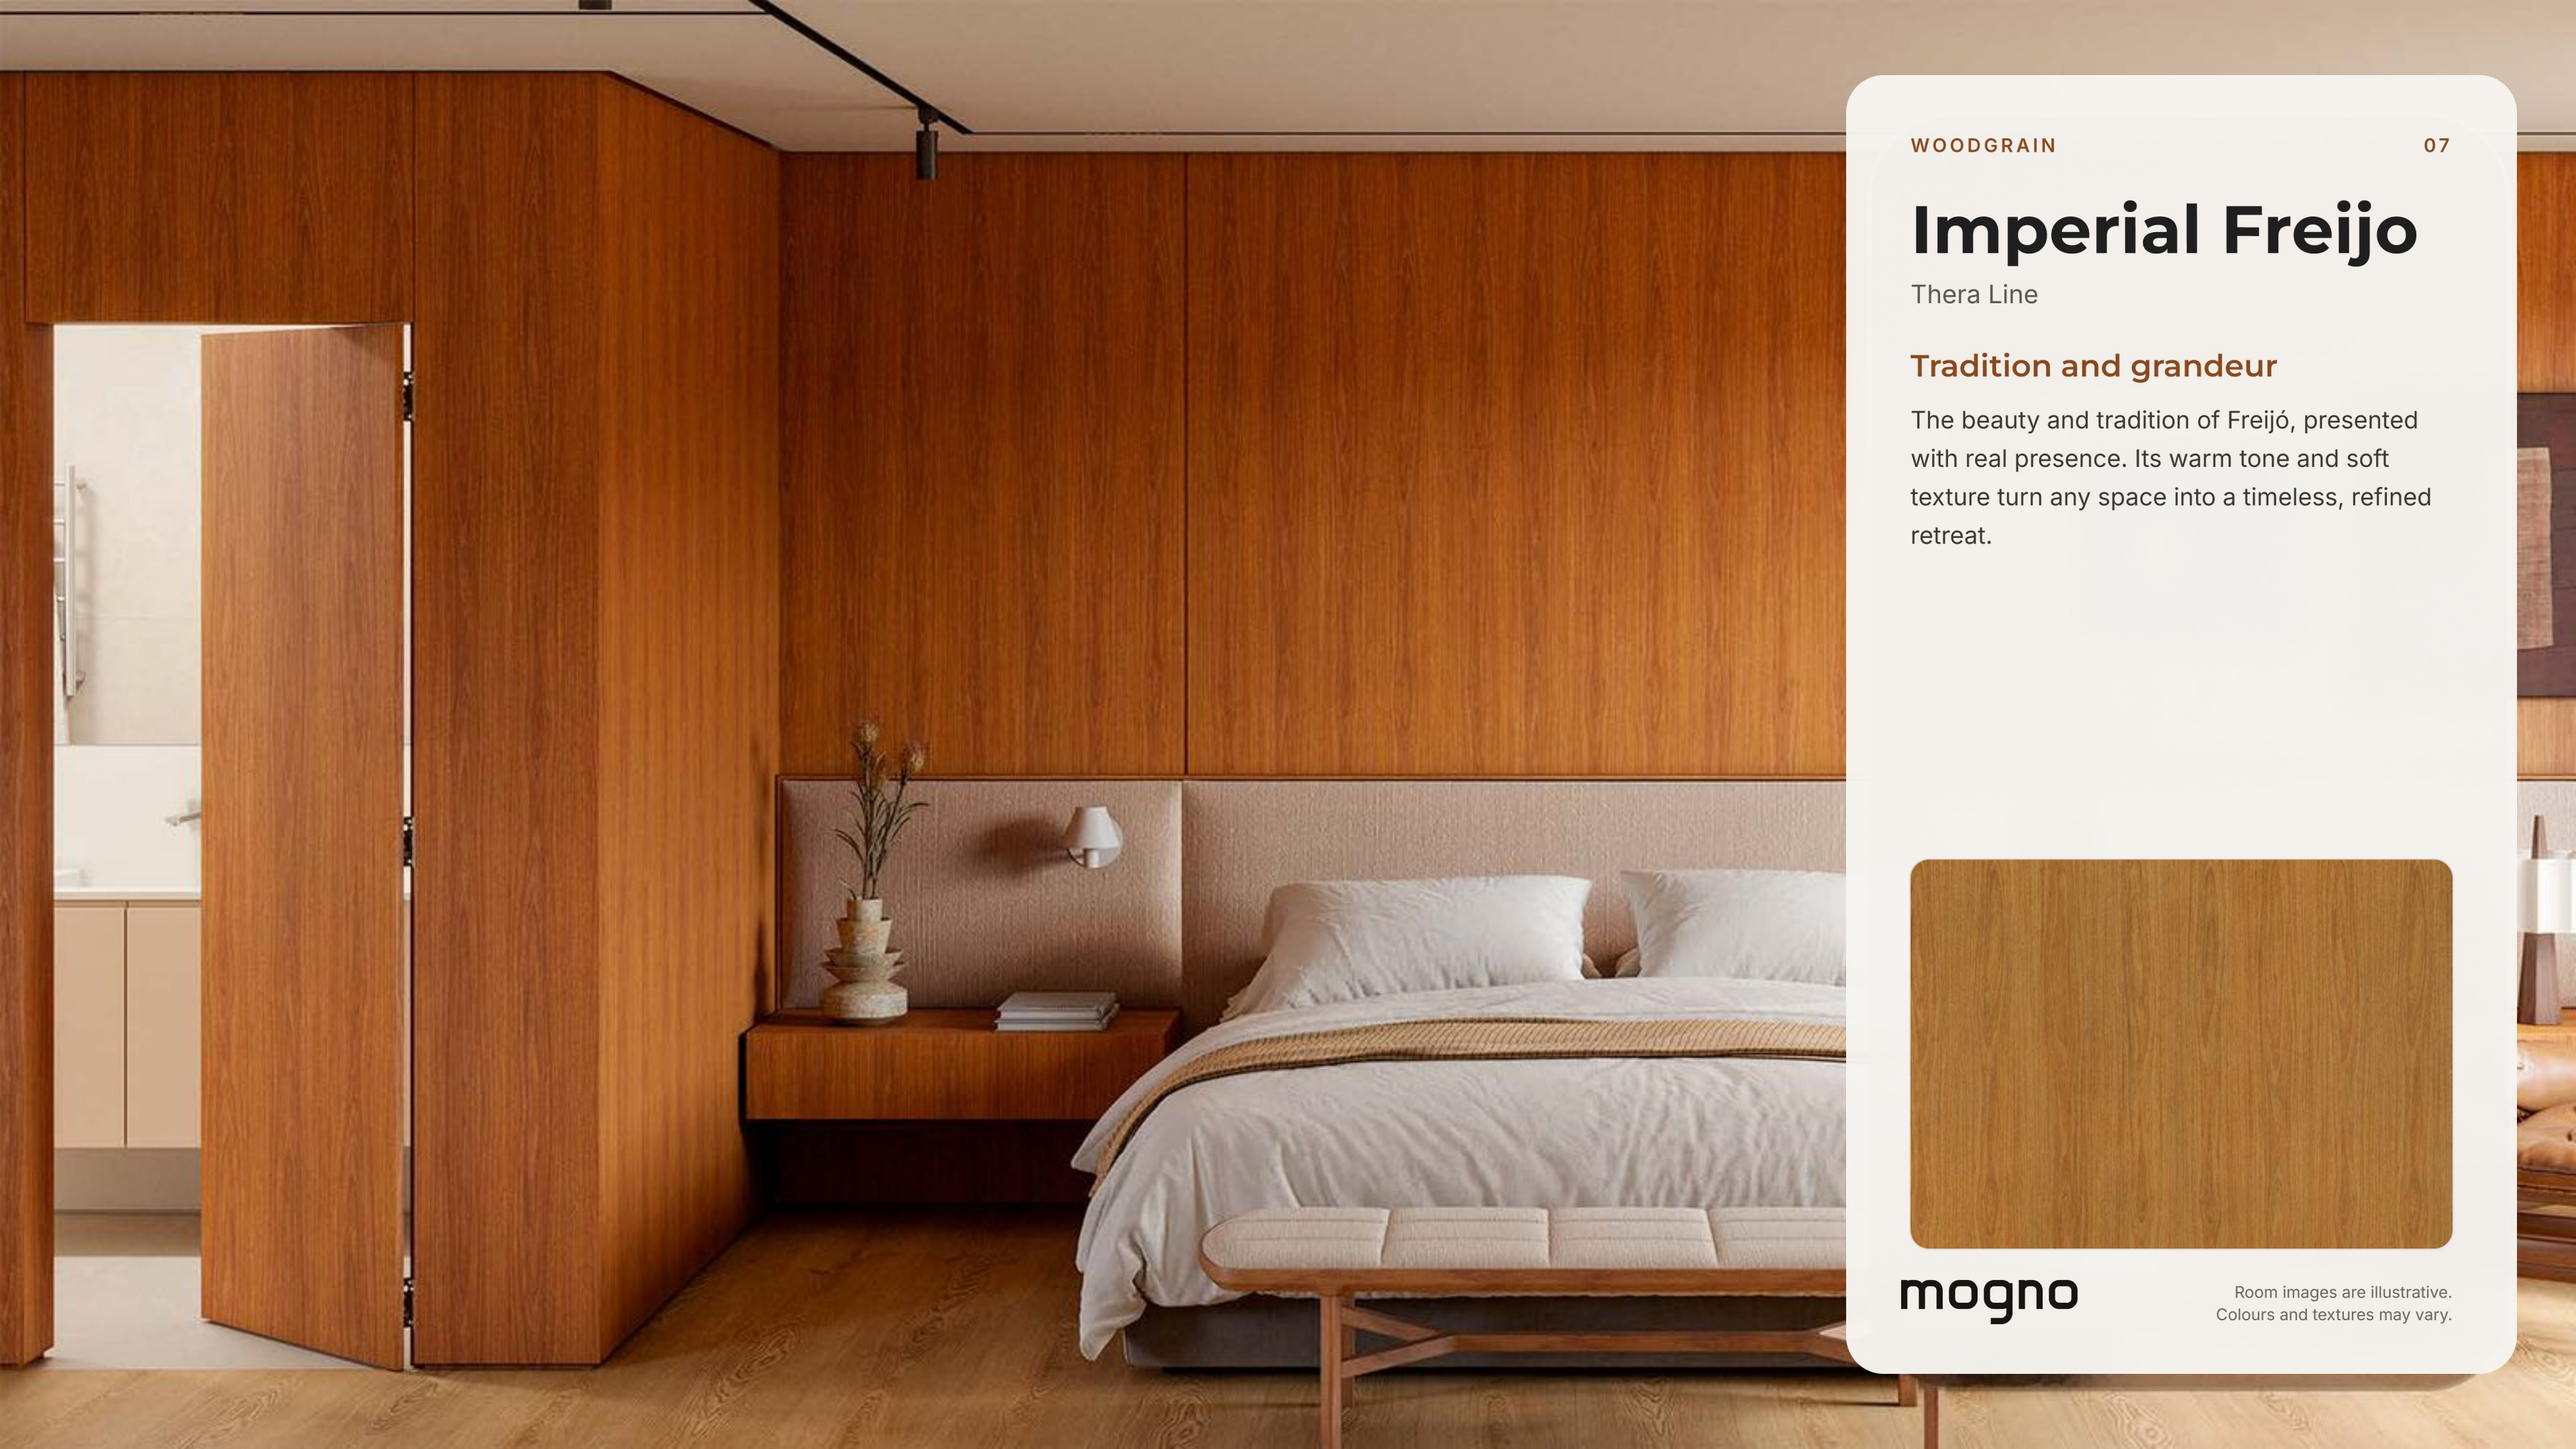

Elegance and strength

Inspired by the walnut barrels used to age the world’s best-known spirits, this elegant, intense pattern is bold yet welcoming.

Colours and textures may vary.

WOODGRAIN 07

Imperial Freijo

Thera Line

Tradition and grandeur

The beauty and tradition of Freijó, presented with real presence. Its warm tone and soft texture turn any space into a timeless, refined retreat.

Colours and textures may vary.

WOODGRAIN 08

Pure Freijo

Essential Wood Line

Calming and comforting

An almond tone with golden touches in the cathedral grain brings the beauty and texture of natural wood indoors, creating a soothing, comforting atmosphere.

mogno

Colours and textures may vary.

SOLID COLOUR 09

Mint

Soft grey-green · Essential Line

Delicate and fresh

Brings the lightness of a soft greyish green to wall panelling and furniture, adding freshness and turning the home into a true retreat.

mogno

Colours and textures may vary.

WOODGRAIN 11

Soho Teak

Thera Line

Surprising and complete

A teak with a fresh take on mirrored cathedral grain, opening up new ways to use it and widening the possibilities for every space.

mogno

Room images are illustrative.
Colours and textures may vary.

SOLID COLOUR 12

Sacred Grey

Essential Line

Comfort and well-being

A welcoming, calm grey that turns any room into an invitation to well-being.

mogno

Colours and textures may vary.

SOLID COLOUR 13

Arctic White

Original Line

Beautiful and classic

A white as clean as fresh snow — the right choice for a classic, understated interior. Available in 6, 9, 15, 18 and 25 mm.

mogno

Room images are illustrative.
Colours and textures may vary.

SOLID COLOUR 14

Papyrus Beige

Essential Line

Minimal and dreamlike

Lightness as an essential state. Its warm tone creates a visual pause where excess dissolves and the space can breathe — a quiet base for warmth and well-being.

mogno

Colours and textures may vary.

SOLID COLOUR 15

Hibiscus

Essential Line

Vintage and timeless

A depth that transcends time. This welcoming colour reinterprets vintage with a contemporary eye, evoking fond memories and a sense of familiarity.

Colours and textures may vary.

TEXTURED SOLID 16

Hazelnut Weave

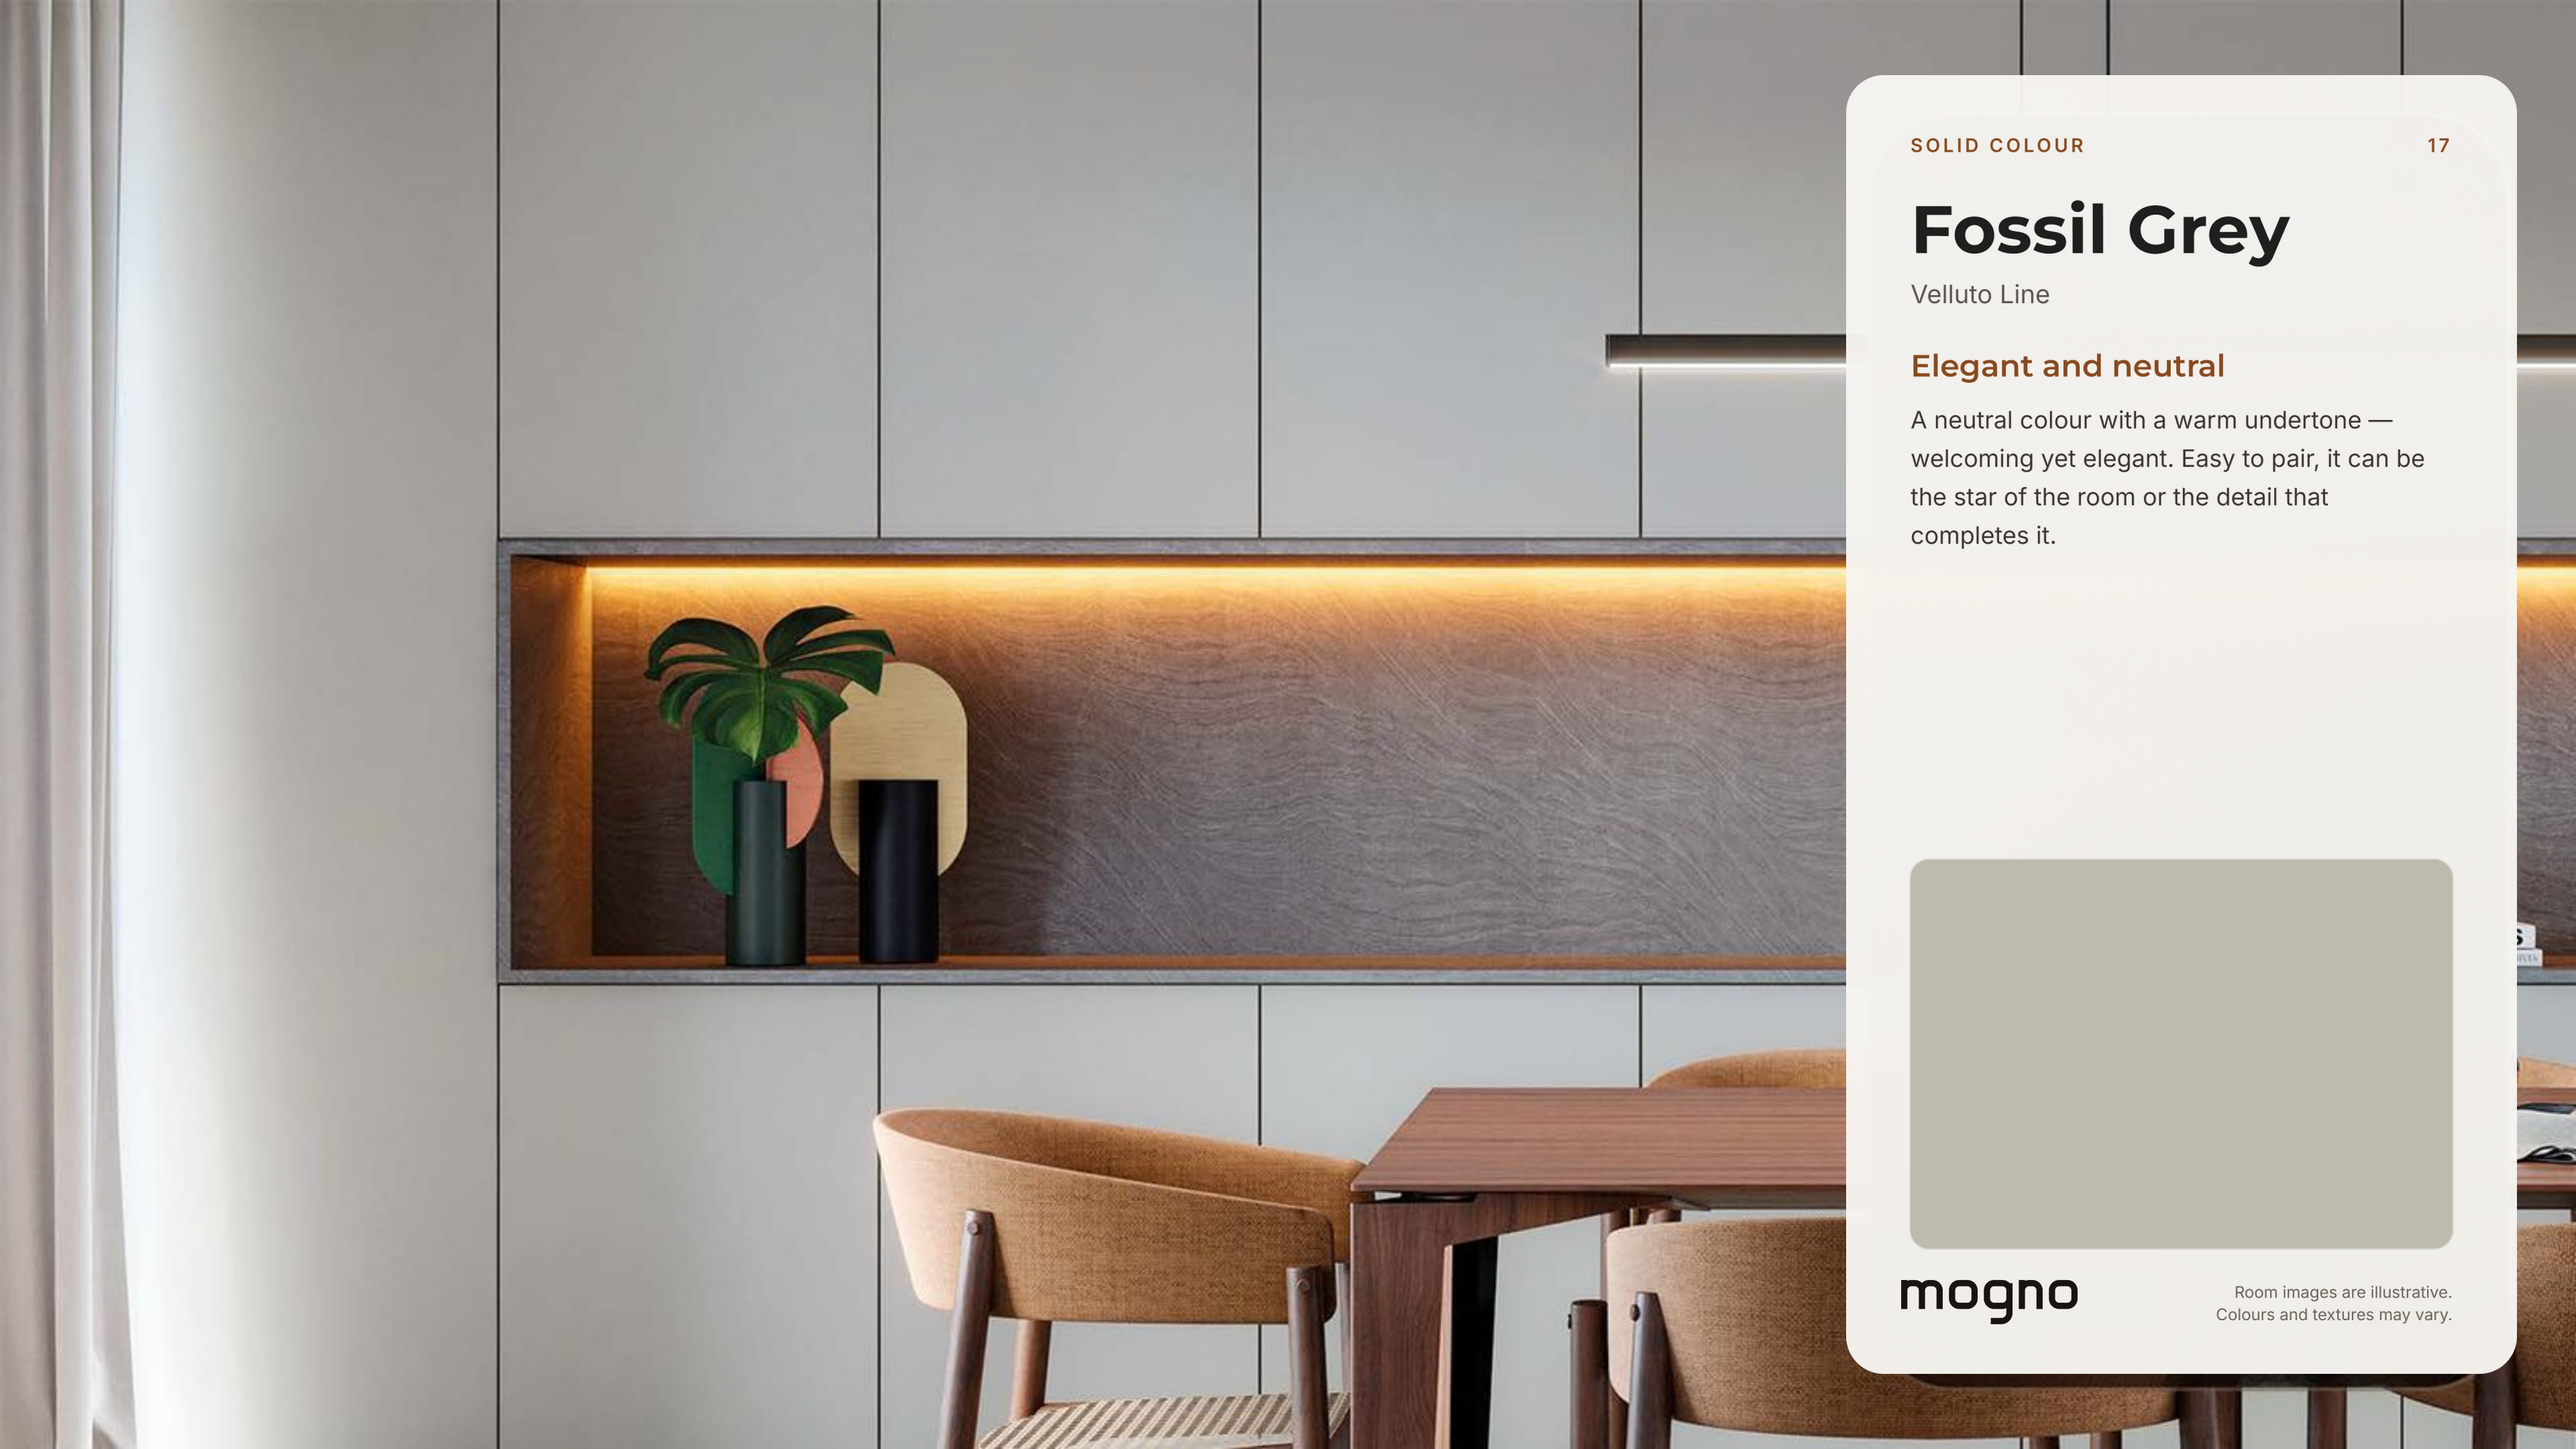

Warm taupe · Trama Line (textured)

Movement and sophistication

Used creatively, it builds a dynamic look that enhances furniture, with a woven texture that adds a sense of movement and sophistication.

mogno

Colours and textures may vary.

SOLID COLOUR 17

Fossil Grey

Velluto Line

Elegant and neutral

A neutral colour with a warm undertone — welcoming yet elegant. Easy to pair, it can be the star of the room or the detail that completes it.

mogno

Colours and textures may vary.

SOLID COLOUR 18

Forest Green

Velluto Line

Fresh and revitalising

Recalls lush vegetation and life outdoors. A colour of self-confidence and connection with nature.

mogno

TECHNICAL INFORMATION

Substrates, sizes and thicknesses

SUBSTRATE

Coated MDF

Melamine-faced panels that open up endless colour and texture options, with added protection, surface resistance and long product life.

Size*: 1850 × 2750 mm
Thickness:** 6 / 15 / 18 / 25 mm

SUBSTRATE

Ultra Premium MDF

A green, moisture-resistant core that also resists termites. Made with water-repellent MDI resin for extra protection in kitchens, bathrooms and humid areas.

Size: 1850 × 2750 mm
Thickness: 6 / 15 / 18 mm

SUBSTRATE

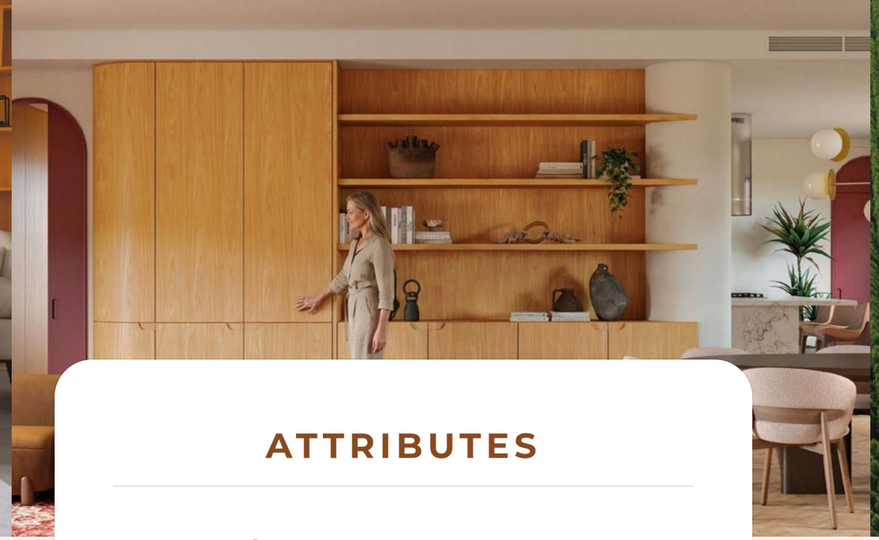

Fire-Retardant MDF

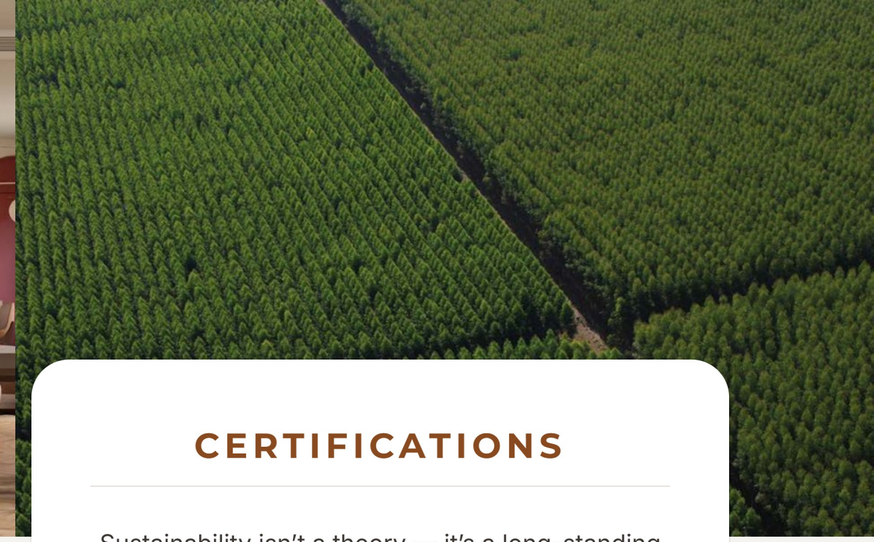

Slows the spread of flame and reduces smoke, meeting Class II-A technical standards. Recommended for high-traffic areas such as lobbies, escape routes and public spaces.

Size: 1850 × 2750 mm
Thickness: 9 / 15 / 18 mm

* Design Line finishes (Hanover Oak, Florida Walnut) are available in 1840 × 2750 mm only.
** High-gloss (Cristallo) finishes and Bienna Quartz: 15 / 18 mm only. Arctic White: 6 / 9 / 15 / 18 / 25 mm.
Room images are illustrative. As finishes reproduce natural materials, colours and textures may vary.

PROTEKTO BENEFITS

PROTEÇÃO ANTIBACTERIANA E ANTIVIRAL
PROTEKTO PLUS

Create more protected spaces with **Protekto Plus**.

- Silver-ion nanotechnology that inactivates viruses from the first minute of contact.
- Applied in the coating of the MDF and MDP panel, so the technology lasts.
- 99% virus inactivation in the first minute of contact, and 99.9% within 5 to 30 minutes.
- Antibacterial, antifungal and antiviral protection.
- Effective against coronavirus.

ATTRIBUTES

Reforested wood
Made from FSC®-certified reforested wood.

Edge banding
Available for every pattern in the collection.

CERTIFICATIONS

Sustainability isn't a theory — it's a long-standing practice. Our panels come from the first company in South America to earn FSC® forest-management certification, and we're proud of these efforts towards environmental balance. Good for the planet. Good for everyone.
